Online Pre-K-12 Resources for Teachers

TEAMS Teaching Circles (TTC) supports teacher induction, retention, and continuous professional growth by delivering online professional development resources to all teachers in grades Pre-K to 12. Over 19,000 teachers across the United States are logging onto TEAMS Teaching Circles for web-based resources.

TEAMS Teaching Circles Website provides mentoring, discussion groups, teaching tools, blackline masters, professional articles, video clips and access to thousands of instructional online resources

TTC provides teacher support with topics such as:

- Planning Standards-Based Lessons
- Differentiating Instruction/Interventions
- Working with Classroom Assessments
- Establishing Procedures and Routines
- Problem Solving
- Communicating with Parents
- Addressing Classroom Management
- Supporting Reading Instruction
- Meeting the Needs of a Diverse Student Population
- Teaching Writing
- Planning for a Substitute
- Preparing for Standardized Testing
