netTrekker d.i. Delivers a Comprehensive Set of Valuable Teaching and Learning Tools

- **Over 180,000 Online Resources** – All educator-selected, organized around the K-12 curricula, and separated by grade level appropriateness for Elementary, Middle, and High school.
- **State Standards Search** – netTrekker d.i. resources are matched to the California Content Standards. Users can also access the standards directly.
- **Dynamic Timeline** – Show the cross-curricular connection between important eras, events, famous people, arts and innovations during a specific period.
- **Famous Person Search** – Quickly and easily locate information about well-known people or generate a list of famous people based on criteria you select.
- **Refine Searches** – Target your search to find lesson plans, learning exercises, primary source documents, language-specific sites for ELL students and more.
- **Save Your Search** – Send search results to students as an assignment, or save to use later.
- **Current Events** – Bring current events into your classroom daily with over 600 periodicals and more than 3,000 domestic and international newspapers.
- **Readability** – Resources in netTrekker d.i. are given a readability measure based on Lexile ratings and 8 other popular methods to help target search results to a student's individual reading skills. This helps teachers and students find grade level content at an appropriate reading level.
- **ELL** – An entire section of netTrekker d.i. resources is devoted to ELL and teaching English as a second language. Allows easy access to sites in multiple languages and on ELL skill development.
- **Dictionary Hotkey** – Provides the definition or translation to multiple languages for any word you select in all of netTrekker d.i.'s 180,000 resources.
- **Image Search** – Search our image database for safe, pornography-free images.
- **Narrow Your Subject** – Allows users to immediately refine search results to the specific curricular topic they need.
- **Read Aloud** – Simply highlight text on a netTrekker d.i. search result or any text within the definition provided by the Dictionary Hot Key and students who need additional audio support and reinforcement now have a powerful learning resource at their fingertips.
- **School and Home Access** – Extend the classroom to each student's home and involve parents in the learning process. Subscribers can access netTrekker d.i. 24/7!
- **NEW! Dedicated 21st Century Skills Channel Helps Educators and Students:**
 - Learn what 21st century skills are all about
 - Find resources that reinforce core content or facilitate the development of 21st century skills
 - Access three separate pathways: ICT Literacy, Life Skills, and Learning and Innovation Skills, with customized resources for each path
